

REGIONAL SCHOOL UNIT NO. 18

File: ECAB

ACCESS TO BUILDINGS AND GROUNDS (Trespass on School Property)

Measures shall be taken by the school administration to secure buildings and grounds against trespass.

The Board encourages the public to make use of the RSU's playgrounds and recreation fields during daytime hours both (after school is done for the day) (after the last school bus of the day has left) and on days when school is not in session, provided they are not in use for a school-sponsored activity or scheduled for use by a town program or other non-school group. Roadways and parking lots are closed to the public at sundown, unless a school-sponsored activity or other approved activity is occurring after sundown. The RSU's playgrounds and fields located at the China Primary and Middle Schools may be used by the public after sundown when the Town of China's recreational field is lighted.

Use of the RSU fields and playgrounds for town recreation programs and sports leagues or by private organizations or individuals for organized games or tournaments shall be coordinated with and approved by the athletic director or school administrator having jurisdiction over that field or playground.

The Board authorizes school personnel and law enforcement officials to ask any person to cease any use that violates this policy.

See Board policies KF, KFA, KF-E, KF-R, KG, KG-2, and KG-R regarding use of school building space for meetings and recreation activity by town and other non-school groups and individuals.

Date of adoption: August 5, 2009
