STAFF RIGHTS AND RESPONSIBILITIES

All staff members have a responsibility to make themselves familiar with, and abide by, the laws of the State as these affect their work, the policies of the Board, and the administration regulations designed to implement them.

The Code of Ethics of the Education Profession sets forth standards for the ethical professional conduct of teachers. The Board expects teachers in the School Unit to adhere to this code. It expects its administrators also to adhere to the special code for administrators.

In the area of personal conduct, the Board desires that teachers and others conduct themselves in a manner that not only reflects credit to the School Unit, but that sets forth a model worthy of emulation by students.

All staff members shall be expected to carry out their assigned responsibilities with conscientious concern.

Essential to the success of ongoing school operations and the instructional program are the following specific responsibilities, which shall be required of all personnel:

1. faithfulness and promptness in attendance at work;
2. support and enforcement of policies of the Board and regulations of the school administration in regard to students;
3. diligence in submitting required reports promptly at the times specified;
4. care and protection of school property; and
5. concern and attention toward their own and the School Unit's legal responsibility for the safety and welfare of students, including the need to assure that students are under supervision at all times.
