STAFF CONDUCT -- EXTENDED OR FOREIGN FIELD TRIPS

Upon written application to and approval by the Superintendent, staff members may arrange for extended domestic or foreign field trips. No application shall be approved, however, unless each staff member involved agrees in writing:

1. to accept full responsibility for the supervision of Regional School Unit No. 18 students from departure to return, understanding that responsibility may not be delegated to other groups or individuals, regardless of any other methods of supervision that may exist for the particular field trip; and
2. to hold himself/herself accountable to the Administration for the same standards of professional and personal conduct as apply within the Unit.

The Board recognizes that some trips are sponsored by outside agencies and do not come before the Board for approval. The Board assumes no responsibility or liability. Examples include the Heritage Tour and trips to foreign countries.

Date of Adoption: June 11, 2009
