

## **REGIONAL SCHOOL UNIT NO. 18**

**File: GCN**

### **SUPERVISION OF PROFESSIONAL STAFF**

The purposes of supervision shall be to help the teacher analyze and improve teaching, to provide teachers with ready support and help on teaching problems, and to assure that sufficient help has been provided in overcoming any teaching problems in advance of official evaluations.

Administrators are charged with the direct supervision of the teachers whom they supervise, and shall provide assistance and educational leadership to their staff.

Professional ethics shall be followed by all administrators and supervisors as it pertains to the supervision of teachers, observations in classrooms, and the filing of supervisory reports.
