DEVELOPMENT OF REGULATIONS

The superintendent shall specify required actions and design the detailed arrangements under which the District will be operated in accordance with Board policy. These detailed arrangements shall constitute the administrative regulations governing the District.

In the development of administrative regulations, the superintendent shall involve at the planning stage those who would be affected by such rules, including staff members, students, parents, and the public. He/she shall weigh with care the counsel given by representatives of staff, students, and community organizations. He/she shall inform the Board of such counsel in presenting pertinent reports of administrative regulations and in presenting regulations for Board adoption.
