FOOD SERVICE MANAGEMENT - VENDING MACHINES

Vending machines may be operated in district schools with the approval of the respective building principal and the superintendent of schools.

Nutritional values and purpose of product will be considered when determining approval/non-approval of each vending machine. All vending must meet the 5% rule in order to be sold during school hours, 7:30 P.M. to 2:30 A.M.

Adopted: November 19, 1986

Reviewed: November 1999
