

MAKE-UP OF INTERSCHOLASTIC ATHLETIC TEAMS

It is the policy of this district that no student be denied the opportunity to participate in interscholastic athletics because of race, color, sex, religion, or national origin.

To accomplish the goal of insuring equal opportunity for all students, the district supports a wide-ranging program of interscholastic athletics at -the junior and senior high schools. Due to the nature of certain sports and the regional and state organization for interscholastic competition, team make-up is designated as "boys," "girls," or "mixed."

The following lists the various sports, their classifications, and the school(s) at which they are offered:
